Sec. 21.22-2 Pre-Construction Meetings

It shall be the responsibility of the person, contractor, or in the case of a public utility as required under a public utility agreement, wishing to conduct work on, under or above the roadway to contact the Police Department in order to arrange a pre-construction meeting in order to submit plans for the safe movement of traffic during such period of construction work. Any person, contractor or utility who fails to comply with this section prior to the start of such work or whose plans are not approved by the Police Department is in violation of this section.

Sec. 21.22-3 Emergency Contact Telephone Numbers

The person, contractor, or utility shall provide the Police Department with at least two (2) emergency contact phone numbers to be called in case of emergency problems at the construction or maintenance site prior to the start of any work. If for any reason emergency contact cannot be reached, or if the emergency contact person does not respond to the call from the Police Department to correct a hazardous condition, the Township may respond to correct such hazardous condition. The reasonable fees for such emergency service by the Township shall be charged to the person, contractor, or utility for such condition.

Sec. 21.22-4 Hours

There shall be no construction, maintenance operations, or utility work on any roadway in the Township before the hour of 9:00 am or after 4:00 pm. The time limit may be adjusted to permit work prior to 9:00 am or after 4:00 pm by the Officer in charge of the Police Department. If it is determined by the Officer in charge that the construction or maintenance operations prior to 9:00 am or after 4:00 pm would substantially delay traffic or cause a safety or health hazard, the work shall then be permitted only between 9:00 am and 4:00 pm.

Sec. 21.22-5 Road Closing and Detours

Road closing and/or traffic detours shall not be permitted unless approved by the Police Department.

Sec. 21.22-6 Traffic Directors

Traffic directors shall be posted at all construction or maintenance sites when determined by the Police Department that same is necessary to provide for the safety and expeditious movement of traffic.

Sec. 21.22-7 Stop Work

The Police Department shall have the authority to stop work, including the removal of equipment and vehicles, stored material within the street right-of-way, back filling of open excavations and/or other related work, in order to abate any nuisance and/or safety hazard or for any violation of this section.

21.22-8 Site Preparation

It is to be expressly understood that no materials, vehicle or equipment are to be placed in the roadway or sidewalk or until all construction, signs, lights, devices and pavement markings are installed.

21.22-9 Violations and Penalties

Any person, contractor or utility who commits a violation of this section shall, upon conviction thereof for a first offense, pay a fine of not less than one hundred (\$100.00) dollars nor more than five hundred (\$500.00) dollars and/or be imprisoned in the County jail for a term not exceeding ninety (90) days. For a second offense, the person, contractor or utility shall, upon conviction thereof, pay a fine of not less than two hundred and fifty (\$250.00) dollars and/or be imprisoned in the County jail for a term not exceeding ninety (90) days.

A separate offense shall be deemed committed on each day during or on which a violation occurs or continues.
